§ 1010.872 *Suspension Order No. S-872.* (a) Unless otherwise specifically authorized in writing by the War Production Board, Roy Tessendorf shall not complete the installation of or put into operation the liquefied petroleum gas equipment delivered to him during April, 1944 at Onaga, Kansas.

PART 3290—TEXTILES, CLOTHING AND LEATHER

[Conservation Order M-328, Direction 20]

PRIORITIES ASSISTANCE FOR CARDED COTTON AND RAYON YARN FOR SHOE LACE MANUFACTURERS

The following direction is issued pursuant to Conservation Order M-328:

(a) *Who may obtain priorities assistance.* Manufacturers of shoe laces who need cotton or rayon yarn before October 1, 1945 for the production of shoe laces and who are unable to obtain it without a preference rating may apply for priorities assistance with which to obtain carded cotton yarn or spun rayon yarn or bright continuous filament acetate yarn for such purposes. If, before the issuance of this direction, a manufacturer has already applied for priorities assistance to fill his yarn needs for the period covered by this direction, he does not need to apply again.

(b) *Applications for carded cotton yarn.* If a manufacturer wants priorities assistance to get carded cotton yarn for the purpose of making shoe laces, he must apply on Form WPB-2842 to the War Production Board, Textile, Clothing and Leather Bureau, Washing-

ton 25, D. C., Ref: Direction 20 to M-328 not later than August 11, 1945.

(c) *Applications for rayon yarns.* If a manufacturer wants priorities assistance to get rayon yarn for the purpose of making shoe laces he must write a letter to the War Production Board, Textile, Clothing and Leather Bureau, Washington 25, D. C., Ref: Direction 20 to M-328 not later than August 11, 1945, stating:

(1) The quantity of spun rayon yarn and the quantity of bright continuous filament acetate rayon yarn for which a preference rating is desired.

(2) How much cotton yarn, how much spun rayon yarn and how much continuous filament rayon yarn he consumed in the manufacture of shoe laces during the second quarter of 1945.

(3) That all the rayon yarn purchased by using a preference rating obtained under this direction will be used by him to make shoe laces.

(d) *Allocations of materials.* The War Production Board, in proper cases, and in accordance with the policy stated below, will, on Form WPB-2842 assign a preference rating and specify the amount and type of carded cotton yarn authorized, and, in a letter to the applicant, assign a preference rating and specify the amount and type of rayon yarn authorized. The total amount of carded cotton yarn and rayon yarn for which priorities assistance will be granted under this direction is limited. Within the available supply, applications will generally be granted pro rata, based on the amount of yarn used by the applicant in the manufacture of shoe laces in the second quarter of 1945. Persons who did not use yarn in the manufacture of shoe laces in the second calendar quarter of 1945 and persons whose use of yarn for such purposes during that period was below their usual quarterly consumption may, nevertheless, apply for their needs and their applications will be processed on an equitable basis.

(e) *Applications and extensions of preference ratings.* Orders for carded cotton and rayon yarn may be placed and preference ratings assigned under this direction must be applied and extended in the manner provided in Priorities Regulations 1 and 3. In the case of rated orders for carded cotton yarn, the purchaser must add the following certification properly filled in to the certification described in Priorities Regulation 3 or 7:

This rating has been assigned on Form WPB-2842. WPB Case Number -----

No person may apply a preference rating assigned under this direction to an order calling for delivery of carded cotton or rayon yarn after September 30, 1945.

(f) *Bureau of the Budget approval.* The provisions of paragraph (b) and (c) have been approved by the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

(i) Rough sole leather shall be finished as sole leather (which thereupon becomes subject to paragraph (e) hereof) except that rough sole leather 12 iron and up may be curried and used for round belting or V belting;

(ii) Rough belting butts or butt bends shall be curried and thereafter used only for transmission belts, hydraulic, packing, mechanical and textile leathers, or fillet leather: *Provided*, That this restriction shall not apply to straightenings cut from the portion of the belting butt or butt bend beginning at the edge from which the belly was removed, if the straightening is less than two inches in width at the widest point;

(iii) Rough shoulders cut from sole leather hides if not finished for sole leather, and rough shoulders cut from any belting butts, shall be curried and used only for wetting, hydraulic, packing, mechanical and textile leathers, except that double rough shoulders 11 iron and up may be curried and used for round belting.

(7) Shoulders cut from cattlehides processed for sole leather (excluding stags and bulls) shall be cut in a line running perpendicular to line of backbone at a point within the limits of the break in the foreflank.

(8) No tanner, currier, finisher, jobber or dealer shall accept any order for cattlehide leather in the form of harness, skirting, collar, latigo, lace, rigging, rawhide, bag, case, strap or upholstery leather, rated or otherwise, or transfer any such leather to his own fabricating plant, unless such order or the request for such transfer states the specific end use of such leather.

(9) No tanner shall process any cattlehide to make grain garment leather.

INTERPRETATION 1

EFFECT OF RATINGS ON EQUITABLE DISTRIBUTION

Paragraph (b) (7) of this order, the so-called equitable distribution clause, does not excuse filling of rated orders. This clause prohibits discrimination between customers who meet established prices, terms and credit requirements but it does not override Priorities Regulation No. 1, which requires, subject to the conditions set forth, that all rated orders be accepted and that preference be given to orders carrying higher ratings over those with lower ratings.

The particular types of leather specified by preference rated orders must be delivered unless the leather cannot be produced from the hides or skins available to the tanner or the tanner is excused or prevented from filling the order by a regulation, order or direction of the War Production Board. If a rated order is placed for military quality leather, this order may not be filled with civilian quality leather. (Issued Apr. 11, 1944.)

INTERPRETATION 2

OFRA AND UNRRA ORDERS NOT WITHIN DEFINITION OF "MILITARY ORDER"

"Military order" as defined in paragraph (a) (5) does not include orders for delivery

against contracts placed by the Office of Foreign Relief Administration or the United Nations Rehabilitation and Relief Administration, or orders for hides, skins or leather for incorporation in products to be delivered against such contracts. (Issued April 15, 1944.)

WILD RICE IN MINNESOTA

APPLICATION FOR EXEMPTION FROM MAXIMUM HOUR REGULATIONS

In the matter of the application for exemption of the processing of wild rice in the State of Minnesota from the maximum hours provisions of the Fair Labor Standards Act of 1938 pursuant to section 7 (b) (3) of the act and Part 526 of the

regulations, as amended, issued thereunder.

Whereas, an application has been filed by the Wild Rice Producers' Association of Minnesota for a determination that the processing of wild rice constitutes an industry of a seasonal nature within the meaning of section 7 (b) (3) of the Fair Labor Standards Act of 1938 and Part 526, as amended, of the regulations issued thereunder; and

Whereas, it appears from the application that:

(1) Wild rice matures and is harvested in Minnesota during a regularly recurring season each year beginning about the middle of August and ending about the middle of October;

(2) Wild rice is perishable and must be processed as quickly as possible after harvesting to prevent deterioration and spoilage;

(3) Practically all of the establishments processing wild rice commercially are located in Minnesota. Wild rice is processed in these establishments during a regularly recurring season each year which begins at the same time as the harvesting season and lasts for about 90 days, after which the processing plants cease production for the remainder of the year except for such work as maintenance, repair, clerical and sales work, because wild rice is no longer available for processing as a result of natural conditions.

Now, Therefore, upon consideration of the facts stated in the application, the Administrator hereby determines pursuant to § 526.5 (b) (ii) of the regulations that a prima facie case has been shown for the granting of an exemption for the processing of wild rice in Minnesota as an industry of a seasonal nature pursuant to section 7 (b) (3) of the Fair Labor Standards Act of 1938 and Part 526, as amended, of the regulations issued thereunder.

As used in this determination, the term "processing of wild rice" means the curing, drying, parching, hulling and cleaning of wild rice; and the following operations when performed by employees of wild rice processors on or near the premises of wild rice processing plants during the wild rice processing season: the packaging and bagging of wild rice; the storing of wild rice and the removal of the wild rice from storage and placing it in transportation facilities; and any operations or services necessary or incident to the foregoing.

If no objection or request for hearing is received within 15 days following the publication of this determination, the Administrator, pursuant to § 526.5 (b) (ii) of the regulations, will make a finding upon the prima facie case. Objections and requests for hearing from any interested person should be submitted in writing to the National Office of the Wage and Hour Division, 165 West 46th Street, New York 19, New York. The application for exemption may be examined at this office.

Signed at New York, New York this 1st day of August 1945.

L. METCALFE WALLING,
Administrator.

NOTICE OF HEARING

At a regular session of the Securities and Exchange Commission, held at its office in the City of Philadelphia, Pa., on the 2d day of August, A. D. 1945.

The Commission having on July 27, 1945 issued its notice of filing and order reconvening hearing in proceedings pursuant to section 11 of The Public Utility Holding Company Act of 1935, which order directed, among other things, that the hearings in the above matter be reconvened on August 9, 1945 at the Philadelphia offices of the Commission; and

ELECTRIC BOND AND SHARE CO.

NOTICE AND ORDER FOR HEARING ON ISSUE OF APPROPRIATENESS OF MODIFYING OR RESCINDING AUTHORIZATION TO PURCHASE PREFERRED STOCK AND ORDER SUSPENDING AUTHORIZATION PENDING SUCH HEARING

At a regular session of the Securities and Exchange Commission held at its office in the City of Philadelphia, Pa., on the 2d day of August, A. D. 1945.

The Commission having on September 7, 1944, approved, subject to terms and conditions, a declaration of Electric Bond and Share Company ("Bond and Share") respecting the use of \$44,000,000 received from United Gas Corporation in settlement of its obligation to Bond and Share in the acquisition of a portion of its outstanding \$5 and \$6 preferred stocks; and The Commission having reserved jurisdiction to rescind or modify its order, in its discretion, as to the use of any portion of such funds which have not, at the time of such rescission or modification, been employed for such purpose; and

Bond and Share having reserved the right to file substitute or additional programs with respect to the use of all or any portion of the funds which are the subject of the declaration and the Commission having reserved jurisdiction to require the making of such filings or to take such other action as may be necessary or appropriate under the provisions of the act; and

Bond and Share having expended a total of only approximately \$1,000,000 of the said \$44,000,000 authorized for acquisitions of its preferred stock up to June 30, 1945 and no purchases of such preferred stock having been effected thereafter; and

Bond and Share having filed certain plans under section 11 (e) of the act which propose, among other things, that, as an initial step in the retirement of all of its \$5 and \$6 preferred stock, approximately \$31,000,000 of cash be used to make a payment of \$30 per share as a capital distribution on its preferred stocks, such capital distribution to be accompanied by a modification of the rights of the preferred stockholders, including a reduction, subject to any adjustment found to be subsequently necessary by the Commission or an appropriate Federal Court, of 30% in the annual dividend rates; and

The Commission deeming it appropriate, in the light of the filing of such

plans, that consideration be given to the issue of whether the Commission's approval of the use, by Bond and Share in the acquisition of its \$5 and \$6 preferred stocks, of any portion of the \$44,000,000 not previously employed for such purpose, should be rescinded or modified.

It is ordered, That a hearing be held with respect to this matter at 10:30 a. m., e. w. t., on the 20th day of August 1945, at the offices of the Securities and Exchange Commission, 18th and Locust Streets, Philadelphia, Pennsylvania, in such room as may be designated at that time by the Hearing Room Clerk in Room 318. All persons desiring to be heard or otherwise wishing to participate in the proceedings shall notify the Commission in the manner provided by its rules of practice, Rule XVII, on or before August 18, 1945.

It is further ordered, That William W. Swift or any other officer or officers of the Commission designated by it for that purpose shall preside at the hearings in such matter. The officer so designated to preside at any such hearing is hereby authorized to exercise all powers granted to the Commission under section 18 (c) of said act and to a trial examiner under the Commission's rules of practice.

It is further ordered, That at such hearing consideration be given to the issue of whether the Commission's approval of the use, by Bond and Share in the acquisition of its \$5 and \$6 preferred stocks, of any portion of the \$44,000,000 not previously employed for such purpose, should be rescinded or modified.

It is further ordered, That, pending determination of the issue hereinabove stated, the approval of the Commission with respect to the use by Bond and Share in the acquisition of the Company's \$5 and \$6 preferred stocks, of any portion of said \$44,000,000 not heretofore employed for such purpose, be, and hereby is, suspended.

By the Commission.

NOTICE OF FILING OF PLANS AND ORDER FOR HEARING

At a regular session of the Securities and Exchange Commission held at its office in the City of Philadelphia, Pennsylvania, on the 3d day of August A. D. 1945.

In the matters of Electric Bond and Share Company, File No. 54-127; Electric Bond and Share Company, and its subsidiary companies, respondents, File No. 59-3; Electric Bond and Share Company, American Power & Light Company, National Power & Light Company, Electric Power & Light Corporation, et al., respondents, File No. 59-12.

The Commission having previously instituted proceedings pursuant to section 11 (b) (1) of the Public Utility Holding Company Act of 1935 (File No. 59-3) and proceedings pursuant to section 11 (b) (2) (File No. 59-12) with respect to Electric Bond and Share Company ("Bond and Share"), a registered holding company, and certain of its subsidiaries, such proceedings being directed, among other things, to a determination of whether it is necessary to discontinue the existence of, or to modify the corporate structure of, or to redistribute the voting power among security holders of Bond and Share and certain of its subsidiaries, particularly National Power & Light Company ("National"), American Power & Light Company ("American"), and Electric Power & Light Company ("Electric"), all registered holding companies, and to a determination of what action, if any, is necessary and shall be required to be taken

by Bond and Share and certain of its subsidiaries, or any of them, to limit the operations of Bond and Share and any of its subsidiaries which are registered holding companies to single integrated public-utility systems, and to such other businesses as are reasonably incidental, or economically necessary or appropriate to the operations of such integrated public-utility systems, and the extent to which Bond and Share or any of its subsidiaries which are registered holding companies shall be permitted to retain any interest in any business other than that of a public utility; and

The Commission having entered orders, pursuant to section 11 (b) (2) of the act, requiring that the existence of National, American, and Electric, be terminated, that said companies be dissolved, and that Bond and Share and said companies proceed with due diligence to submit to the Commission plans for their prompt dissolution:

Notice is hereby given that Bond and Share has filed an application for approval of certain plans under section 11 (e) of the act designated as Plans I, II, and III and described as being for the purpose of enabling Bond and Share to comply with the provisions of section 11 (b) of the act. Among other things, the plans propose the retirement of all of the outstanding \$5 and \$6 preferred stock of Bond and Share, Plan I proposing, as an initial step in such retirement, a pro rata payment of \$30 per share as a capital distribution and a 30% reduction in the respective dividend rates, and Plan II proposing the satisfaction of the balance of the claims of said preferred stocks through the distribution of certain securities and/or cash. The plans also have for their purpose the settlement of all claims against Bond and Share and its wholly-owned subsidiaries by and on behalf of National, American, and Electric, their subsidiaries, certain former subsidiaries, and their respective security holders. As part of the plans Bond and Share proposes to dispose of all securities of domestic public utility operating companies and of public utility holding companies whose subsidiaries operate in the United States, and proposes to retain only securities of American & Foreign Power Company ("Foreign Power"), whose subsidiaries operate outside the United States, and securities of Ebasco Services Incorporated ("Ebasco"), a subsidiary company rendering services to public utility and industrial clients.

All interested persons are referred to said plans, which are on file in the office of the Commission, for a full statement of the transactions therein proposed which may be summarized as follows:

Plan I: As the initial step in the retirement of all of the outstanding shares of \$5 and \$6 Preferred Stocks of Bond and Share it is proposed that an immediate cash payment (through a designated agent) of \$30 per share be made on such preferred stocks, as a capital distribution, accompanied by a modification of the rights of the preferred stockholders. The more important rights of the holders of the preferred stock which are proposed to be modified are: (1) A reduction of \$30 per share in the amounts

which such holders shall be entitled to receive, either in the event of liquidation or redemption of all or any portion of such preferred stocks, or in the event of a capital distribution thereon; and (2) a reduction of 30% in the annual dividend rates of \$5 and \$6 respectively, subject to any adjustment which, subsequent to orders of the Commission and any Court approving Plan I, may be found by the Commission to be fair and equitable and approved by such Court. The voting rights of the preferred stock will not be altered by the said \$30 payment.

Bond and Share requests that the Commission, in the event Plan I is approved, apply to an appropriate Federal Court for approval and enforcement of such plan. It is proposed that the effective date of Plan I shall be determined by the said Court and that such effective date shall be not less than fifteen days after the mailing of notice to the holders of record of the preferred stocks. Upon the expiration of six years subsequent to the effective date of Plan II (subject to certain exceptions necessitated by the war) it is proposed that any cash in the hands of the designated agent not then claimed by holders of preferred stock will be returned to the company free and clear of claims of such holders.

Plan II: It is proposed to complete the retirement of the \$5 and \$6 preferred stocks through the distribution of certain securities and/or cash. Such securities will consist of the major portion of Bond and Share's holdings of the common stock of American Gas and Electric Company ("American Gas"), a registered holding company and a subsidiary of Bond and Share, and the major portion of the common stocks of the three principal subsidiaries of National which Bond and Share expects to receive in connection with the dissolution of National. In such dissolution Bond and Share, which owns 46.56% of National's common stock, will receive a portion of the common stock of Birmingham Electric Company, Carolina Power & Light Company and Pennsylvania Power & Light Company ("Pennsylvania"). In addition it will acquire by subscription in connection with a plan of recapitalization for Pennsylvania an as yet unspecified number of shares of the common stock of Pennsylvania, the number of such shares to be distributed pursuant to this Plan II to be definitely specified by amendment. Bond and Share states that National, in plans to be filed, proposes the settlement of all claims against Bond and Share and its wholly-owned subsidiaries by or on behalf of National, its subsidiaries, certain of its former subsidiaries, and their respective security holders. The distribution of assets proposed in Plan II is as follows:

For each share of \$6 preferred stock—
 4/5 of a share of American Gas and Electric Company Common Stock;
 1/4 of a share of Birmingham Electric Company Common Stock;
 2/5 of a share of Carolina Power & Light Company Common Stock;
 a number of shares of Pennsylvania Power & Light Company Common Stock and/or other securities and/or cash which will be specified by amendment.

For each share of \$5 preferred stock
 4/5 of a share of American Gas and Electric Company Common Stock;
 1/5 of a share of Birmingham Electric Company Common Stock;
 1/3 of a share of Carolina Power & Light Company Common Stock;
 a number of shares of Pennsylvania Power & Light Company Common Stock and/or other securities and/or cash which will be specified by amendment.

Bond and Share will distribute, through a designated agent, the foregoing common stocks and/or such amount of other securities and/or cash as will result in the receipt by the holders of its preferred stocks of the equitable equivalent of their rights including any adjustment which may be found by the Commission and the enforcing Court to be necessary to render the reduction of 30% in the dividend rate fair and equitable. The applicants request that the Commission, in the event Plan II is approved, apply to an appropriate Federal Court for approval and enforcement of such plan.

It is likewise proposed with respect to Plan II that the effectuation date be fixed by the enforcing Court which date shall be not less than fifteen days after the mailing of a notice to the holders of record of the preferred stocks. The holders will be advised in such notice that upon such effective date all rights and claims represented by such stock will cease except that upon surrender of shares of \$5 and \$6 preferred stock the holder shall be entitled to receive, within a period of one year, the securities and/or cash provided for in the plan. After the expiration of one year the securities so held will be sold and the proceeds held for the holders of such \$5 and \$6 preferred stock. Upon the expiration of six years subsequent to the effective date of the plan (subject to certain exceptions necessitated by the war) it is proposed that any proceeds of such sales then unclaimed will be returned by the designated paying agent to the company, such funds to be free and clear of any claims by the preferred stockholders.

Plan III: Bond and Share proposes to settle all claims against Bond and Share and its wholly-owned subsidiaries by and on behalf of the subholding company subsidiaries, American and Electric, their subsidiaries, and certain of their former subsidiaries, such settlements to be actually effectuated as part of this Plan III, however, only to the extent that such settlements are not effectuated in plans filed or to be filed with the Commission by American and Electric and joined in by Bond and Share. The plan as filed specifies neither the amounts involved nor the methods to be used in effectuating such settlements. It is then proposed to sell or otherwise dispose of all securities which Bond and Share may then own of public-utility holding companies whose subsidiaries operate in the United States, including any securities it may have or hereafter acquire of American and Electric, and of all securities which it may then own of public-utility companies operating in the United States. The plan as filed contains no description of the specific methods to be used in effectuating the disposition of such securities. The applicants request

that the Commission, in the event Plan III is approved, apply to an appropriate Federal Court for approval and enforcement of such plan.

Upon consummation of the three plans, Bond and Share proposes to retain as its remaining assets: (1) the securities which it may then own of Foreign Power, a holding company, the public-utility subsidiaries of which operate wholly in foreign countries; (2) the stock and debt of Ebasco Services Incorporated, a company furnishing advisory, consulting, and other services to public-utility and industrial companies; (3) cash and miscellaneous current assets. Upon consummation of the three plans Bond and Share proposes to apply to the Commission, pursuant to the appropriate sections of the act, to exempt it and its subsidiary companies from the act and each and every provision thereof.

It appearing to the Commission that the proceedings with respect to the said plans are related to and involve common questions of law and fact with the issues in the proceedings instituted by the Commission pursuant to section 11 (b) of the act (File Nos. 59-3 and 59-12) and should be consolidated therewith for consideration by the Commission:

It is ordered, That the proceedings instituted by the Commission pursuant to section 11 (b) of the act (File Nos. 59-3 and 59-12) and the proceedings with respect to the said plans filed pursuant to section 11 (e) of the act (File No. 54-127) be, and hereby are, consolidated and that any relevant evidence adduced in the said proceedings instituted by the Commission pursuant to section 11 (b) of the act shall be incorporated in and be deemed to be a part of the record in the proceedings on the said plans filed pursuant to section 11 (e) of the act, without prejudice, however, to the Commission's right, upon its own motion or the motion of any interested party, to strike such portions of the record in the proceedings pursuant to section 11 (b) as may be deemed irrelevant to the issues raised with respect to the proposed plans.

It is further ordered, That a hearing be held at 10:00 a. m., e. w. t., on the 27th day of August 1945, at the offices of the Securities and Exchange Commission, 18th and Locust Streets, Philadelphia, Pennsylvania, in such room as may be designated at that time by the hearing Room Clerk in Room 318. All persons desiring to be heard or otherwise wishing to participate in the proceedings shall notify the Commission in the manner provided by its rules of practice, Rule XVII, on or before August 25, 1945.

It is further ordered, That William W. Swift or any other officer or officers of the Commission designated by it for that purpose shall preside at the hearings in such matter. The officer so designated to preside at any such hearing is hereby authorized to exercise all powers granted to the Commission under section 18 (c) of said act and to a trial examiner under the Commission's rules of practice.

It is further ordered, That the hearing to be convened on August 27 shall be confined to a consideration of Plan I. At such times as amendments are filed with respect to Plans II and III setting

forth in complete detail the steps therein contemplated, hearings will be reconvened and appropriate notice thereof will be duly given.

It is further ordered, That, without limiting the scope of the issues presented in the consolidated proceedings, particular attention will be directed at the hearing to be held on Plan I on August 27, 1945 to the following matters and questions:

1. Whether the proposed retirement of the preferred stock is necessary to effectuate the provisions of section 11 (b) and whether an order should be entered by the Commission, pursuant to section 11 (b), directing such retirement.

2. Whether the pro rata payment of \$30 per share on the \$5 and \$6 preferred stock proposed in Plan I is necessary to effectuate the provisions of section 11 (b) and fair and equitable to the persons affected thereby.

3. Whether the proposed limitation on the period of time for which the designated paying agent will hold funds to make the pro rata payment to preferred stockholders meets the standards of section 11 (e).

4. Whether in general Plan I as submitted or as hereafter modified is necessary to effectuate the provisions of section 11 (b) of the act and is fair and equitable to the persons affected thereby.

5. Whether, if the transactions proposed are authorized by the Commission, it is appropriate in the public interest and in the interest of investors and consumers that any terms and conditions be imposed in connection with such authorization and, if so, what such terms and conditions should be.

6. Whether the fees and expenses proposed to be paid in connection with the consummation of Plan I and all transactions incidental thereto are for necessary services and are reasonable in amount and whether the plan should be modified to include further provision for the payment of any fees and expenses in connection with said plan or the proceedings with respect thereto which the Commission may determine, award, allow, or allocate.

7. Whether the accounting entries in connection with the proposed transactions are in conformity with the standards of the act and the rules promulgated thereunder.

8. Generally, whether the proposed transactions are in all respects in the public interest and in the interest of investors and consumers and consistent with all applicable requirements of the act and rules thereunder.

It is further ordered, That jurisdiction be reserved to separate, either for hearing, in whole or in part, or for disposition, in whole or in part, any of the issues, questions or matters herein set forth or which may arise in these proceedings or to consolidate with these proceedings other filings or matters pertaining to the subject matter of these proceedings, and to take such other action as may appear conducive to an orderly, prompt, and economical disposition of the matters involved; and

It is further ordered, That notice of this hearing be given to Bond and Share, National, American, Electric, and to all

other persons, said notice to be given by registered mail to Bond and Share, National, American, Electric, and to all persons previously granted intervention or participation in any of the proceedings consolidated herein, and to all other persons by publication in the FEDERAL REGISTER; and

It is further ordered, That Bond and Share shall give notice of this hearing to all its security holders (insofar as the identity of such security holders is known or available to it) by mailing to each of said persons a copy of this notice and order for hearing at his last known address at least 10 days prior to the date of this hearing.

By the Commission.

LEE RUG CO.

CONSENT ORDER

Morris Typlin and Joseph Levy, co-partners, doing business as Lee Rug Company, 1410 South Michigan Avenue, Chicago, Illinois, are engaged in the retail sale of floor coverings. The partners are charged by the War Production Board that during the year 1944 they extended preference ratings to their suppliers to acquire approximately 45,000 square feet of linoleum in excess of the amount of linoleum which they delivered on customers' orders, placed with them, bearing preference ratings. This constituted a violation of Priorities Regulation No. 3. The partners admit the violation as charged, do not desire to contest the charge, and have consented to the issuance of this order.

Wherefore, upon the agreement and consent of Morris Typlin and Joseph Levy, co-partners, doing business as Lee Rug Company; of J. C. Baker, Regional Manager, Compliance Division; of James R. Bryant, Regional Counsel; and upon the approval of Palmer Edmunds, Esq., Compliance Commissioner; *It is hereby ordered, That:*

(a) Morris Typlin and Joseph Levy shall deduct rated orders covering 11,250 square feet of linoleum, each calendar quarter, during the third and fourth calendar quarters of the year 1945 and the first and second calendar quarters of the year 1946, from their available rated orders given them by their customers, and the preference ratings on total rated orders covering 45,000 square feet of linoleum, computed as aforesaid, shall not be extended by them at any time hereafter. In the event that Morris Typlin and Joseph Levy do not have available rated orders in an amount of at least 11,250 square feet of linoleum during each of aforesaid calendar quarters, then the remaining portion of said 11,250 square feet of linoleum not deducted in any of said calendar quarters shall be carried forward to the succeeding calendar quarter, and such remaining portion, as aforesaid, shall be deducted from available rated orders in such succeeding calendar quarter, in addition to the 11,250 square feet of linoleum already required to be deducted in such succeeding calendar quarter from their available rated orders.

(b) Nothing contained in this order shall be deemed to relieve Morris Typlin and Joseph Levy from any restriction, prohibition or provision contained in any other order or regulation of the War Production Board except insofar as the same may be inconsistent with the provisions hereof.

(c) The restrictions and prohibitions contained herein shall apply to Morris Typlin and Joseph Levy as individuals and as co-partners doing business as Lee Rug Company, their successors and assigns, or persons acting on their behalf. Prohibitions against the taking of any action include the taking indirectly as well as directly of any such action.

[RMPR 208, Order 41]

N. & W. OVERALL CO., ET AL.

AUTHORIZATION OF MAXIMUM PRICES

For the reasons set forth in an opinion issued simultaneously herewith and pursuant to section 2.6 of Revised Maximum Price Regulation 208, it is ordered:

(a) *Scope of this order.* This order establishes ceiling prices for sales by certain manufacturers and by wholesalers and retailers of thirty-three yard minimum boys' bib overalls. Any boys' bib overall which consumes an average of at least thirty-three yards of eight ounce shrunk denim per dozen when cut in a

range of sizes from 10-16 may be designated by these manufacturers as a "thirty-three yard minimum boys' bib overall" and may be priced under paragraph (b) of this order: *Provided*, That such purchaser is offered a range of sizes from 10-16 and is notified according to the requirements of paragraph (d) that the overalls are being priced under this order. Wholesalers and retailers receiving such notice must then price thirty-three yard minimum boys' bib overalls under paragraph (c).

(b) *Ceiling prices for sales by N. & W. Overall Co. (Virginia), N. & W. Overall Co. (Mississippi), High Point Overall Company, and Pollock's Key Work Clothes.* (1) On and after August 4, 1945, N. & W. Overall Co., Lynchburg, Virginia, N. & W. Overall Co., Jackson, Mississippi, High Point Overall Co., High Point, North Carolina, and Pollock's Key Work Clothes, Ft. Scott, Kansas, may sell and deliver and any person may buy and receive from them, thirty-three yard minimum boys' bib overalls at or below the following maximum prices:

	Per dozen
To group II retail sellers.....	\$15.42½
To all other purchasers including wholesalers and group I retail sellers.....	13.20

(2) The prices set forth in subparagraph (1) are f. o. b. seller's place of business, net 30 days.

(c) *Ceiling prices for sales at retail and sales at wholesale.* (1) On and after August 4, 1945, the maximum price for sales at retail and regular sales at wholesale of "thirty-three yard minimum boys' bib overalls" shall be determined as follows:

(i) Take the highest price at which the seller delivered a boys' bib overall during March 1942 and divide that price by the net invoice cost of that garment. (If the seller did not deliver any boys' bib overalls during March 1942, he shall take the highest price at which he delivered a men's bib overall during March 1942 and divide that price by the net invoice cost of that garment. If the seller did not deliver any bib overalls during March 1942, his maximum price is determined under (iii) below.)

(ii) Multiply the percentage obtained in (i) above by the net invoice cost (not to exceed the supplier's ceiling price) of the garment being priced under this paragraph. The resultant figure shall be the maximum price of the boys' overall being priced, but in no event shall the maximum price for a retailer be higher than \$1.64 a garment in the East and Central region; and \$1.67 a garment in the Mountain and Pacific region. The maximum price for a wholesaler shall be in no case higher than \$15.70 per dozen where the seller's place of business is in the East and Central region; and \$16.05 per dozen where the seller's place of business is in the Mountain and Pacific region.

(iii) If the seller did not deliver any boys' or men's bib overalls during March 1942, the maximum price for sales at retail shall be \$1.64 a garment in the East and Central region and \$1.67 a garment in the Mountain and Pacific region; for sales at wholesale the maximum price

shall be \$15.70 per dozen in the East and Central region, and \$16.05 per dozen in the Mountain and Pacific region.

(iv) "Net invoice cost" means the price on the face of the invoice less all discounts available, but adding transportation or delivery charges.

(2) Ceiling prices for "special sales" (this term is defined in Section 3.3 of Revised Maximum Price Regulation 208) are found under section 3.3. Moreover, if the retailer buys a garment at a "special sale", it should be priced under section 4.5 of the regulation, instead of under (1) above.

(3) "East and Central" and "Mountain and Pacific" regions are defined in Instruction 4 of Appendix C of Revised Maximum Price Regulation 208.

(d) *Notice which manufacturer must send to wholesalers and retailers.* On and after August 4, 1945, the manufacturer shall transmit to each retailer to whom it makes delivery of a thirty-three yard minimum boys' bib overall, at the time of delivery of such garment to the purchaser thereof, a statement in the following form:

This notice is sent to you as required by Order No. 41 under Revised Maximum Price Regulation 208, which establishes maximum prices for our sales to you of certain boys' bib overalls. We have been allowed to price these overalls, Lot No. — under that order since they conform to the prescribed yardage requirements. Whether you are a wholesaler or retailer, this notice tells you how to find your maximum prices. You must be certain to follow the method set forth below in order to comply with the law.

How to compute your maximum prices. Take the highest price you charged for a boys' bib overall, which you delivered in March 1942 and divide that price by the net invoice cost of that garment to you. If you did not deliver any boys' overalls during March 1942 take the highest price you charged for a man's bib overall which you delivered during March 1942 and divide that price by the net invoice cost of that garment.

Multiply the percentage so obtained by the net invoice cost of the garment being priced. The resultant figure shall be the maximum price of the boys' overall being priced, but in no event shall the maximum price for a retailer be higher than \$1.64 a garment in the East and Central region (refers to sales in which the seller's place of business is in a state east of New Mexico, Colorado, Wyoming, Montana, and the following counties of Texas: Loving, Ward, Reeves, Pecos, Brewster, Presidio, Jeff Davis, Culberson, Hudspeth and El Paso) and \$1.67 a garment in the Mountain and Pacific (refers to sales in which the seller's place of business is in the states or counties previously enumerated, or farther west). The maximum price for a wholesaler shall in no case be higher than \$15.70 per dozen for sales in the East and Central region, and \$16.05 per dozen for sales in the Mountain and Pacific region.

"Net invoice cost" means the price on the face of the invoice less all discounts

available, but adding transportation or delivery charges.

If you did not deliver any bib overalls during March 1942, your maximum price shall be:

Sales at wholesale:

\$15.70 per dozen in the East and Central region.

\$16.05 per dozen in the Mountain and Pacific region.

Sales at retail:

\$1.64 per garment in the East and Central region.

\$1.67 per garment in the Mountain and Pacific region.

The pricing method outlined above does not apply to "special sales". Sections 3.3 and 4.5 of Revised Maximum Price Regulation 208 tell you how to determine ceiling prices when there is a "special sale."

(e) *Notice which wholesalers must send to retailers.* Any seller at wholesale purchasing a thirty-three yard minimum boys' bib overall must furnish his retailers with the applicable portion of the notice set forth in paragraph (d) either by forwarding separate printed, typewritten or mimeographed copies attached to the invoice to accompany each shipment of overalls priced under this order, or have the notice stamped on the invoice if that is more convenient.

(f) The definitions in Revised Maximum Price Regulation 208 shall apply to this order.

(g) The maximum prices established in paragraph (b) of this order are subject to the special quota rule on deliveries set forth in section 2.7 of Revised Maximum Price Regulation 208, and to the disclosure, record keeping and marking provisions of the regulation.

(h) All prayers of the applications not granted herein are hereby denied.

This order shall become effective August 4, 1945.
